CODE LESS. BUILD FASTER. SOLVE BIGGER.

BUILD-OFF:

BUSINESS EDITION

A LOW CODE HACKATHON FOR BUSINESS SOLUTIONS

IoT Conference Philippines 2026

AI PHILIPPINE EXPO

EVENT BRIEF

ABOUT

BUILD-OFF: HACKATHON

A hands-on hackathon where business owners and developers team up to solve real-world business challenges using AI and low-code tools.

Participants turn actual business problems into working prototypes, automated workflows, apps, and AI-powered solutions—focusing on practical impact, speed, and innovation rather than traditional coding.

Bring a business problem. Build a solution. Show the impact.
